WHO WE ARE AND HOW WE WORK

Zhuji Yangda Auto Maintenance Tools Co., Ltd. builds automotive maintenance tools in its own plant: tooling, machining, assembly, pressure testing and packing all happen under one roof.

What we make

- Coolant vacuum refill kits (9PC / 13PC / 15PC) with adapter coverage for European, Japanese and American vehicles
- Hydraulic ram and slide hammer sets for seized hubs and bearings
- R134a quick couplers and manifold service adapters

How we work

- Sample and drawing confirmation before production
- 100% final inspection with a pressure and function check on every kit
- Export packing, labelling and documentation for container and LCL shipments
- Own-brand programmes from 500 pieces: logo, artwork, manuals, packaging

COOLING SYSTEM TOOLS

Coolant vacuum refill kits, adapters and leak-test equipment

Coolant Vacuum Refill Kit 13PC — Blue

SKU MH003 · ASIN B0H67MHRXM · list price USD 46.99

13-piece coolant vacuum refill kit. Refills any cooling system in about ten minutes using shop air — no manual bleeding. Includes 1 conical and 4 round adapters, brass valves and a 1.5 m PVC hose, in a blue aluminium case.

Kit contents: 13 pieces — 1 conical + 4 round adapters, valves, hose · Case: Blue aluminium carry case · Hose: 1.5 m PVC

Coolant Vacuum Refill Kit 13PC — Black

SKU MH004 · ASIN B0H67Q4Q5T · list price USD 46.99

13-piece coolant vacuum refill kit. Refills any cooling system in about ten minutes using shop air — no manual bleeding. Includes 1 conical and 4 round adapters, brass valves and a 1.5 m PVC hose, in a black aluminium case.

Kit contents: 13 pieces — 1 conical + 4 round adapters, valves, hose · Case: Black aluminium carry case · Hose: 1.5 m PVC

Coolant Vacuum Refill Kit 15PC — Blue

SKU MH010 · ASIN B0H6RTWNDT · list price USD 64.99

15-piece professional coolant vacuum refill kit with complete adapter coverage for sedans, trucks and heavy equipment. Air-powered refill, pressure gauge and reinforced hose.

Kit contents: 15 pieces — full adapter coverage for cars, trucks and heavy equipment · Case: Blue carry case · Hose: Reinforced hose

Coolant Vacuum Refill Kit 15PC — Gray

SKU MH011 · ASIN B0H6RLQ4B6 · list price USD 64.99

15-piece professional coolant vacuum refill kit with complete adapter coverage for sedans, trucks and heavy equipment. Air-powered refill, pressure gauge and reinforced hose.

Kit contents: 15 pieces — full adapter coverage for cars, trucks and heavy equipment · Case: Gray carry case · Hose: Reinforced hose

Coolant Vacuum Refill Kit 9PC — Blue

SKU MH005 · ASIN B0H67KFG2X · list price USD 64.99

9-piece coolant vacuum refill kit for passenger cars and light trucks. Air-powered vacuum fill with precision pressure gauge, quick-connect adapters and a durable carry case.

Kit contents: 9 pieces — adapters for passenger cars and light trucks · Case: Blue carry case · Gauge: Precision pressure gauge

Coolant Vacuum Refill Kit 9PC — Black

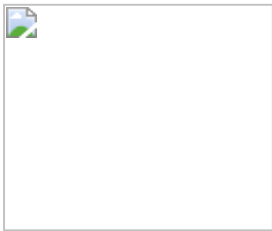

SKU MH006 · ASIN B0H67Q2P51 · list price USD 64.99

9-piece coolant vacuum refill kit for passenger cars and light trucks. Air-powered vacuum fill with precision pressure gauge, quick-connect adapters and a durable carry case.

Kit contents: 9 pieces — adapters for passenger cars and light trucks · Case: Black carry case · Gauge: Precision pressure gauge

WHEEL SERVICE EQUIPMENT

Hydraulic hub and bearing removal tools

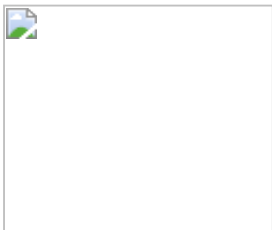

Wheel Hub Removal Tool Kit — Blue

SKU MH007 · ASIN B0H6PMWGY6 · list price USD 74.99

Heavy-duty wheel hub removal tool kit for seized hubs and bearings. 5-tonne hydraulic ram, slide hammer and a full adapter set. Cuts hub jobs from hours to minutes.

- Kit type: Hydraulic hub and bearing removal · Force: 5-tonne hydraulic ram · Included: Slide hammer and full adapter set

Wheel Hub Removal Tool Kit — Black

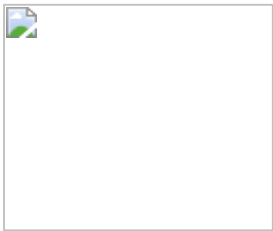

SKU MH008 · ASIN B0H6PSK6W9 · list price USD 74.99

Heavy-duty wheel hub removal tool kit for seized hubs and bearings. 5-tonne hydraulic ram, slide hammer and a full adapter set. Cuts hub jobs from hours to minutes.

- Kit type: Hydraulic hub and bearing removal · Force: 5-tonne hydraulic ram · Included: Slide hammer and full adapter set

AC SERVICE TOOLS

R134a quick couplers and manifold service adapters

R134a Quick Coupler Adapter 4PC — Blue

SKU MH009 · ASIN B0H6S4PFH8 · list price USD 18.99

4-piece R134a quick coupler adapter set with universal AC service ports, high and low side couplers and brass fittings. Leak-tested before packing.

Kit contents: 4 pieces — high and low side couplers, adapters · Refrigerant: R134a service ports · Fittings: Brass

TECHNICAL DATA

Shared specifications across the range. Item-specific values are on the product pages.

Property	Value
Operating vacuum	down to −0.9 bar (approx. −26 inHg)
Working pressure, wheel tools	up to 100 bar / 10,000 psi hydraulic
Service coupler thread	R134a standard, 1/2" ACME and 1/4" SAE variants
Hose temperature range	−40 °C to +100 °C
Case material	injection-moulded PP, latch and handle tested to 25 kg
Adapter coverage	European, Japanese and American radiator necks and expansion tanks
Marking	MADE IN CHINA, SKU barcode and lot number per unit

Compliance

ROHS and REACH declarations for contact materials are available per order. Quality management follows an ISO 9001 certified system with IATF 16949 aligned process controls.

QUALITY, PACKING AND SHIPPING
